[Chinese shoes Network - News] Adidas brand today officially opened the 2014 Brazil World Cup match ball "Samba Glory" (brazuca) mystery. Unveiled in Rio de Janeiro, Enrique? Lage Park (Parque Lage), held in the spectacular 3D light projection uncover "Samba glory," the true capacity. "Brazuca" Brazil local slang, means "Brazilian", or to describe the Brazilian way of life. Color and surface design ribbon symbolizing football Brazilians wishing to wear the traditional multicolored wristbands, and reflects the vitality and joy of Brazilian football.

"brazuca" The name dates back to September 2012, which consists of more than one million fans voting online through a public elected. "Brazuca" Brazil local slang, means "Brazilian", or to describe the Brazilian way of life. Color and surface design ribbon symbolizing football Brazilians wishing to wear the traditional multicolored wristbands, and reflects the vitality and joy of Brazilian football.

"brazuca" used in fetal bladder and ball technology and the "Tango 12" (2012 European Cup official ball), "Cafusa" (2013 Confederations Cup official ball) and official acclaimed European Champions Cup exactly the same ball used in fetal bladder and ball technology. However, "brazuca" more spherical structure using the latest innovative technology, using the same cross-shaped spherical six pieces forming a surface structure different from the past, so that soccer has a unique symmetry, the field for the game to bring better control ball, ball, stability and aerodynamics. "Brazuca" through a variety of tests to meet and exceed FIFA official match ball with all the indicators to ensure that under any conditions with the best performance.
