Converse Chuck Taylor All Star "Dottest" series debut 2014-02-24 21:00:35

trend evergreens Converse Chuck Taylor All Star overwhelmed brings called "Dottest" the new series, shoes all in big wave spot covered with black and white or color shoes, the visual effect is very exaggerated, absolutely enough get on its name in the "madness" word. This series is now on sale in Japan, conditional friends can look at.

Prada nearly two years in the shoes on the highlights, in particular, the Italian luxury brand last year with thick bottom caused by various wave of imitation, recently announced this year autumn and winter shoes series Levitate. The same is to design a powerful and unconstrained style to piece together the two elements not related to, and presumably also caused a lot of stock trend.

< p > will classical carved shoes sports shoes will appear full palm cushion, the fashionable motion and real "combine", whether it was good this really is a matter of opinion, but this design does have turn to play before the thick bottom suspected, but athletic shoe and dress shoes fusion is the trend in recent years, such as gourmet, Cole Haan are subject to a lot of praise, so turn to play is considered reasonable. But the air cushion looks really like NIKE... And I don't know what Nike is about to see.
