;; [Chinese shoes Network - the consumer market] a pair of seemingly ordinary no-name shoes, but bears organ, after the surface of the torn trademark, immediately turned international famous brand "Nike shoes." 11 morning, Fujian Jinjiangchendai police station Yang Tai village in the area and seized a production of fake "Nike shoes" dens.

police, recently, there are people to report to the public security organs, said Yang Tai village, a shoe factory counterfeit "Nike shoes." After Paimo period of investigation, the police identified the specific location of the shoe, and on the morning of the 11th deployed arrests.

"factory in one place inside houses, about a dozen workers, seemingly only in the production of ordinary no-name sports shoes." Police investigators, said Chen, who took a look at the production of good shoes, immediately We found more shoes Trademark Office posted a layer of "protective film" tear protective film, the Nike brand logo immediately apparent. On the spot, police seized counterfeit "Nike" brand sports shoes more than 3,000 pairs. After identification, the value of RMB 30 million.

It was captured by the shoe factory boss Lin account, before the factory is processing a number of foreign trade alone, but because of the work of the Ministry of the economy, which will start the production of counterfeit "Nike" sneakers business. In order to deceive the public, they are at the position marked with the Nike logo, together with another piece of unknown trademark. "When sold, the manufacturers yer outside that layer, the customer is a look at the brand sports shoes." Lin said.

Currently, Lin suspicion of counterfeiting registered trademarks have been criminal detention. Cases still pending further review.
