ALL STAR

converse is a classic? Must not more than a waste of breath in it, if you have time now to flip the shoe, maybe we can see its shadow, vamp has yellow, dirty looks, but think, this is to wear all star where the fun!

< p > and I slide the mouse, inadvertently saw the launch of converse and Mita sneakers New All Star Hi, at first glance, at first felt no too big change, just on the surface of selected camouflage element, if viewed from the perspective of mixing and still wild!! However carefully to understand, just know shoes there is within the universe, lining selected Thinsulate company production of cold proof material, and the shoe side is also equipped with a waterproof zipper, seemingly simple canvas shoes, but also good functional, a bit mean.

as for pricing? Official offer 10000 yen, but also count the value of money, like a friend may wish to pay more attention to it!
